Reverend Monsignor Joseph DeGrocco
Pastor

Dear Fellow Parishioner of Our Lady of Perpetual Help Parish,

GRACE, PEACE AND BLESSINGS FROM GOD OUR FATHER AND OUR LORD JESUS CHRIST!

It is my pleasure to present to you this booklet which describes all of the many different ministries, organizations and societies here at OLPH. We have compiled this information for one important purpose: the purpose of making it as easy as possible for everyone to become fully and actively engaged in the life of the parish. We need you and we want you to be actively involved in the parish family of OLPH!

In his own inimitable style, Pope Francis described the Church as a family and not a private club, a garden rather than a museum, and a field hospital in the midst of the human family. As such, it is the parish that is the heart of the Church; it is in the local parish where it all happens! Pope Francis has also said that the key role of a Catholic parish is practicing closeness to its people by working to provide for their needs and to always show God's love for all.

So it's the parish is where the Church lives! Parishes are communities of faith, of action, and of hope. They are where the Gospel is proclaimed and celebrated, where believers are formed and sent to renew the earth. Parishes are the place where God's people meet Jesus in word and sacrament and come in touch with the source of the Church's life.

It is in that spirit that we give this booklet to you. Read through it in its entirety. Get a feel for the many different opportunities for participation and service that are present at OLPH. Find the ones that appeal to you and then, most importantly, take the step of getting involved. Use the contact information provided and give yourself the gift of belonging more deeply to the life of OLPH. You'll be glad you did!

Together, let's aim high in Christ. Together, let's bring out the best in each other. Together, let's be the best we can be in Christ. And let's always remember: LOVE IS A GIFT.

Sincerely,

Reverend Monsignor Joseph DeGrocco
Pastor

OFFERER OR VOLUNTEER?

At Our Lady of Perpetual Help, we do not have “volunteers,” we have OFFERERS. What’s the difference?

- A volunteer does things at one’s own convenience; an OFFERER does things as an offering, as a gift.
- A volunteer does something as long as it does not interfere with other things; an OFFERER is willing to stay with something, even if it means letting other things go.
- A volunteer often looks for praise or recognition; an OFFERER stays on even if no one notices at all.
- A volunteer gets initiative from oneself, because what is done is one’s own idea; an OFFERER gets initiative from being baptized, because what is done flows from the mission one is given at baptism.
- A volunteer is a person who does things; an OFFERER is a disciple following Christ.
- A volunteer does a job; an OFFERER does a ministry.
- A volunteer can do something that does not touch one’s heart; an OFFERER makes an offering of oneself, out of love.
- A volunteer does something and looks for results; an OFFERER does something simply as a way of joining the OFFERING of one’s life to the OFFERING of Jesus Christ.
- A volunteer’s work begins and ends with oneself; an OFFERER’S work comes from and flows back to the OFFERING one makes at Sunday Eucharist.

“Nevertheless the liturgy is the summit toward which is the activity of the Church is directed; at the same time it is the font from which all her power flows. For the aim and object of apostolic works is that all who are made children of God by faith and baptism should come together to praise God in the midst of His Church, to take part in the sacrifice, and to eat the Lord’s supper.”

ALTAR SOCIETY

The Altar Society meets once a week, on Friday after the 6:30 a.m. Mass to clean and dust the main altar as well as the two side altars. We also change all of the altar cloths, taking them home to wash and iron them. We launder and maintain the purificators and corporals (the linens and cloths used at Mass) as well. We welcome anyone who would like to help and we are always in need of people with sewing skills to help make new linens when the need arises.

CHILDREN'S LITURGY OF THE WORD

Children's Liturgy of the Word meets with children in first grade and older at the 10:00 a.m. Mass on selected Sundays to share the Scripture Readings, Responsorial Psalm, Gospel Reading, Profession of Faith and Prayer of the Faithful. The Children's Liturgy of the Word is led by a Prayer Leader or Homilist who is assisted by Shepherds, all of whom are Virtus-trained. A Junior Lector reads from the Children's Lectionary and a Cantor leads the children in song. Children's Liturgy is in session from October through June every year.

EXTRAORDINARY MINISTERS OF HOLY COMMUNION

Extraordinary Ministers of Holy Communion are parishioners who assist in distributing the Eucharist at Sunday and weekday Masses. Ministers with additional training also bring the Eucharist to the homebound and those in nursing homes. Initial training is provided by the diocese; however, EMHC's meet periodically during the year for further training and ongoing formation. All Extraordinary Ministers of Holy Communion should show the greatest reverence for the Most Holy Eucharist by their demeanor, their attire, and the manner in which they handle the consecrated bread or wine. Becoming an Extraordinary Minister will enhance your spiritual life!

Junior Lectors are trained to read from the *Lectionary for Masses with Children* every Sunday at the 10:00 a.m. Mass when Children's Liturgy of the Word is in session from October-June. Training is provided. We hope that our Junior Lectors will then continue on in the ministry of Lectors as adults!

LITURGICAL ENVIRONMENT

This ministry is responsible for the care of the plants in the church and for decorating the church for the various liturgical seasons. Primary among its goals is the harmony of the liturgical environment with the celebration of the Eucharist. Members care for the live plants in the church building, and also contribute ideas and time toward the decoration of the church building, particularly for the Christmas and Easter seasons.

MINISTRY OF CONSOLATION

The Ministry of Consolation assists families who have suffered the loss of a loved one. In addition to providing presence and comfort in a time of need, we help guide the mourning family with the selection of readings, music and other choices for the Funeral Mass. We also attend the Mass to hand out prayer booklets and seat the mourners. On occasion, we serve as Lectors and as Extraordinary Ministers of Holy Communion. We also bake cakes for the families and have prayer buddies who pray for them. Members are involved in whichever one (or more) of the above aspects in which they are interested. You don't have to be involved in all of it!

Ushers are also asked to serve at other times throughout the year at special parish occasions and liturgies. In addition to collecting the money offerings and distributing church bulletins after Mass, ushers are responsible for welcoming, guiding, assisting and directing the parishioners. “Charity, justice, and evangelization are thus the normal consequences of liturgical celebration.

Particularly inspired by sung participation, the body of the Word Incarnate goes forth to spread the Gospel with full force and compassion. In this way, the Church leads men and women “to the faith, freedom and peace of Christ by the example of its life and teaching, by the sacraments and other means of grace. Its aim is to open up for all a free and sure path to full participation in the mystery of Christ.”

- Sing to the Lord:
Music in Divine
Worship

"The joy of the gospel fills the hearts and lives of all who encounter Jesus. Those who accept his offer of salvation are set free from sin, sorrow, inner emptiness and loneliness. With Christ joy is constantly born anew."

- Pope Francis,
Evangelii Gaudium

MINISTRIES OF FAITH FORMATION

ADULT CONFIRMATION

The sacraments of Baptism, Holy Communion and Confirmation provide those who receive them with full initiation into the Catholic Church. Occasionally, adults will have received Baptism and Holy Communion but have never received Confirmation. Those who are over the age of eighteen who have received both Baptism and Holy Communion may attend a program of instruction and faith formation at OLPH to receive Confirmation and thereby become fully initiated into the Catholic Church. Classes are formed every fall, usually meeting twice a month for an hour each meeting, for the period of six months ending before Pentecost. A nominal fee may be charged to cover the cost of materials.

Discipleship in Jesus calls for us to continually develop ourselves. The Adult Faith Formation program at OLPH provides opportunities

throughout the year to enter into a classroom environment for the purpose of developing knowledge and understanding of all the different areas of the Catholic faith such as the Bible, Church, Sacraments and worship and morality. Classes are taught by members of the Pastoral Staff who hold advanced degrees. Fees are charged to cover the cost of materials. Participants should expect to attend ten hours of instruction for each course that is offered. There is no minimum education level for taking Adult Faith Formation courses. Parishioners only need the desire to learn.

Each day, campers are treated to three hours of games, music and crafts, all centered around the Word of God, the Bible teaching of the day. One of the wonderful aspects of this ministry is its inclusiveness of all ages. Once campers age out of our middle-school program, many return to be leaders. We have helpers from young adults through seniors. Our ministry needs anyone with a love for children, art skills, musical talents, or just a longing to participate in a lively and vibrant ministry that instills a love of Jesus into the hearts of our children who are the future of the Church. BAPTISMAL BIB TEAM

One of the three symbols imparted to newly-baptized Catholics is the white baptismal garment, a sign that the child or young person has "put on Christ" in her or his life. Infants and very young children receive this garment as a "bib" placed over their heads during the baptism ceremony. We sew and embroider bibs as the white garment used in the Sacrament of Baptism.

"But what the Lord preached that one time, or what was wrought in Him for the saving of the human race, must be spread abroad and published to the ends of the earth, beginning from Jerusalem, so that what He accomplished at that one time for the salvation of all, may in the course of time come to achieve its effect in all."

- Decree on the
Missionary Activity of
the Church

"One of the most encouraging signs of the gospel at work in our midst is the vitality and quality of social justice ministries in our parishes. Across the country, countless local communities of faith are serving those in need, working for justice, and sharing our social teaching as never before.

Millions of parishioners are applying the gospel and church teaching in their own families, work, and communities. More and more, the social justice dimensions of our faith are moving from the fringes of parishes to become an integral part of local Catholic life."

During Advent, a team of dedicated parishioners gathers to adorn the exterior of the church with lights, wreaths, roping and seasonal ribbons as well as to help to assemble the manger set and Advent wreath. This same team gathers to take down the decorations in January. Immediately prior to Easter, the decorating team places seasonal silk floral arrangements on the exterior pillars and fencing and takes down these decorations at the conclusion of Easter Time.

We educate our parishioners and the public on a personal level and at public Village gatherings. We educate our governmental representatives and advocate with them. We organize and participate in prayer services and we support groups which offer aid and support to those contemplating abortion and are involved in peaceful protests. We provide spiritual care for women with problems related to pregnancy, for all who have been involved in abortion, for those who are disabled, sick, and dying, and their families and caregivers. We also provide spiritual care for those who have lost loved ones to violent crime, and for those in prison sentenced to death. We meet monthly (except in July and August).

HOLY NAME SOCIETY

The Holy Name Society is an organization that has been active for over 700 years, founded by Blessed John of Vercelli. The Society promotes reverence for the Sacred Name of God and Jesus Christ, and the personal holiness of its members. Members are called to contribute time and effort to the general mission of the Church. We are also called to assist in parish ministries by performing corporal acts of mercy. In the past, the Holy Name Society has provided support to our local Society of St. Vincent de Paul, to the Community Meal ministry, and to the Ministry to the Homeless. STRENGTHS TRAINING PROVIDERS

Every individual plays a role in shaping the Church. But how do we know what role we are meant to play? For many parishioners the answer can be found through the experience of the Clifton Strengths Finder, a Gallup instrument that reveals our unique God-given strengths. OLPH Strengths Training Providers assist parishioners who have taken the instrument in understanding and applying their personal strengths. Persons who seek to become trainers must take the instrument, read the companion book, and satisfy members

"When we pray, we are not to pray for ourselves alone. We do not say, "My Father, who art in heaven" or, "Give me this day my daily bread"; we do not ask for own trespasses alone to be forgiven; and when we pray that we may be delivered from evil, we are not praying only for ourselves either.

Our prayer is for the general good, for the common good.

When we pray, we do not pray for our own single selves; we pray for all God's people, because they and we are one."

- Cyprian of Carthage,
Third Century

"There are as many ways to pray as there are moments in life. Sometimes we seek out a quiet spot and want to be alone, sometimes we look for a friend and want to be together. Sometimes we look for a book, sometimes we prefer music. Sometimes we want to sing out with hundreds, sometimes only whisper with a few. Sometimes we want to say it with words, sometimes in deep silence.

In these moments, we gradually make our hearts our lives more of a prayer and we open our hands to be led by God even to places we would rather not go."

- Henri Nouwen

of the existing team with their ability to present information to a small group. Time commitments will vary widely with this ministry, but generally should involve about five hours per month. A nominal fee will be charged to anyone taking the Clifton Strengths Finder to cover the costs charged to the parish.

A Welcoming Body of Christ

Christina Spahn

It's 10 AM on Sunday at Our Lady of the Most Holy Rosary Catholic Community in Albuquerque, New Mexico. Martha, Rick, and their two children file into the third row of chairs under the cross. A few minutes later Joe and Anna move into the row behind them. An older couple, they are

visiting Albuquerque to attend to Joe's mother, who is in the final stages of terminal cancer. Jack arrives. A longtime parishioner, he has just been diagnosed with Alzheimer's Disease. He is followed by the Sanchez family, whose youngest son, Jordan, is celebrating his sixth birthday, and Marie and Allen, who have decided it is time to return to the faith of their childhood and are coming to Mass for the first time in many years. Recent arrivals in Albuquerque, the six members of the Miller family are seated. They have come from a vibrant parish in the Denver area and have heard that Holy Rosary might be a good community to check out. Finally, Laura and Bob come rushing in and sit in the fourth row. They have spent the morning serving the weekly breakfast in Rosario Hall and now look forward to joining the community in prayer.

This imaginary configuration of people is repeated throughout the entire Church—at every Eucharist. In every row of every church, individuals filling the pews carry a range of emotions and experiences. Some hearts are filled with joy and gratitude; others are crushed with grief and pain; while the majority hold emotions somewhere in between. Whether individuals leave the church restored and ready to face another week depends, of course, on how well the liturgy is celebrated and on their active participation in the rite. But their experience is also influenced by how they feel welcomed and included. The Mass is, after all, a communal prayer, and people need to feel part of the community. How is that achieved?

In every row of every church are people carrying a range of emotions and experiences. We honor each person with hospitality.

In many parishes, hospitality ministers formally welcome people as they enter the church. In some, visitors or newly registered parishioners are acknowledged before the liturgy begins. Some parishes invite people to introduce themselves to those seated around them. These are useful

practices and certainly aid in creating a warm and inviting atmosphere. But most important is each parishioner's awareness that he/she is a member of a faith community that welcomes others and has a commitment to doing just that. This commitment is expressed in many ways: a smile, willingness to move down the row to accommodate a person or family newly arriving, an inquiry about how the week has been, or a comment about the weather, the news, or anything else that comes to mind. Community is about relationships and relationships are built as people communicate with each other.

Being a welcoming faith community involves much more than just what occurs inside the church. It also involves graciousness and generosity in the parking lot and multimedia communications that respond to the needs and preferences of all members of the community. It involves pastoral sensitivity to those approaching the parish office and heartfelt thanks to the Sunday 10:15 AM altar servers. It involves an invitation to a new parishioner to consider participating in a ministry and counseling an overwhelmed catechist that it might be time to take a couple of months off. It involves warmly greeting the long-time parishioner and being just as welcoming to the homeless person. It involves shared laughter and shared tears. In short, being a welcoming faith community involves individuals and groups meeting people where they are, recognizing them as comembers of the Body of Christ, and treating them with the love and respect with which they would like to be treated.

Are You Ready to Choose?

By now, you realize that the parish of Our Lady of Perpetual Help is dynamic and thriving. But you still might feel uncertain about where you will fit in. Or maybe you're overwhelmed by the number of ministries available for you to join, and are reluctant to commit to one that you won't enjoy. The solution to both of these dilemmas is to gain an understanding of how your particular strengths fit with specific ministries.

OLPH offers parishioners the opportunity to gain that insight through the use of the Clifton Strengths Finder and the companion work *Living Your Strengths*. Through the assessment instrument and two workshops, individuals learn how to identify and affirm their strengths, and how to use them for growth and service. For example, individuals who find their strength as harmonizers flourish in the Ministry of Consolation as they restore order to families in the midst of their grief. While that may seem easy to predict, you may be surprised to find that nearly all those individuals who serve the Reader Ministry have influencing strengths. Or that the strength of "Command" which identifies individuals who feel comfortable imposing their views on others is so rare among those serving in parish ministries that it can be said to be non-existent.

The greatest benefit of knowing our strengths, however, comes in learning how to recognize the person we are. By learning our God-given strengths, we can more easily find the orientation and path God intends for us to follow to grow in our love for and service of others. The Body of Christ on earth is a community of believers. Knowing how to be a vibrant part of that community opens us to increase our love for God and our fellow humans.

Strengths Training occurs regularly throughout the year. Watch for announcements of training sessions in the weekly bulletin. Find your strength and find the ministry that will help you to grow as a Christian.

Creator God,
Life is your gift to me.
Through Baptism,
you invite me to share the gift of my life
in service to others.
Be with me
as I choose each day
to show your Presence in our world.
Give me the courage and generosity
to respond to your love, to your call.
I pray especially for those
who serve you in ministry
throughout the parishes of Long Island.
May we bring the Good News
to those in need.
Keep us close to you.
Open the minds and hearts
of many others
-- men, women, and young people --
that they may accept your challenge
to build the Kingdom in our parish.
Amen.

"For the administration of this public service is not only supplying the needs of the holy ones but is also overflowing in many acts of thanksgiving to God."

-2 Corinthians 9:12

“In all its activities the parish encourages and trains its members to be evangelizers. It is a community of communities, a sanctuary where the thirsty come to drink in the midst of their journey, and a center of constant missionary outreach.”
